PICTURING HEALTH:
PAEDIATRIC HIV CASE STUDY FILMS

LEARN MORE

Medical Aid Films uses innovative media to transform the health and wellbeing of women and children around the world

🌐 145 countries

WHAT WE DO

Partnership

Working with global partners, we reach health workers and communities

Production

Creating film, we share lifesaving knowledge about women's and child health

Innovation

Using new technologies and social media, we reach audiences around the world

Making a difference

Putting audiences first, we work to understand how people learn through film

NEWS

TV Dr Michael Mosley interviewed by Patron Anne Morrison at Chelsea Physic Garden event

New Partnership extends our library of content to include HIV paediatric case study films

Founder Professor Eric Jauniaux reflects on Medical Aid Films' development

'Keji Counts' screens at the Women Deliver Film Festival 2019

WHO'S WATCHING OUR FILMS

'Contraceptives and other issues are still talked about in hushed tones. Thank you for this film '

MERCY - PEER EDUCATOR, KENYA

'The reason the films work is because they are in a simple language. They show the procedure, explaining every part, bit by bit. It clicks in '

FOUZIA - MIDWIFE TRAINER, SOMALILAND

'These films are so helpful. The women find it inspiring to see other women addressing the same issues that they are discussing '

LUDI - HEALTH EDUCATION VOLUNTEER, CAMEROON
